## TEACHING OF RELIGION IN PUBLIC SCHOOLS APPROVED

SUPREME COURT RULING WRONG, SAYS  
NOTED WRITER AND LECTURER

By Rev. Edward Lodge Curran, Ph. D.

If our beloved country is to avoid the pagan disasters which threaten it, it must be saved thru greater knowledge and love and service of God. By themselves, economic or political or social theories have no power to preserve mankind. Religion alone is the key to national as well as to individual and domestic and social security.

Belief in God obligates the believer to recognize his moral responsibility towards God. Belief in God begets the personal obligation of prayer. The believer must proclaim the existence and power and knowledge and justice and providence and attributes of God. The believer must thank God for all blessings received. The believer must express sorrow to God for all sins committed. The believer must constantly petition God for assistance.

These elementary obligations of religion are binding upon all believers, irrespective of the particular religion they profess. All believers are bound by the obligation to grow in the knowledge and love and service of God.

These religious obligations are also binding upon all nations. No nation can fulfill its obligations towards God by mere lip service or by casual and intermittent references to God. Any nation that wishes to be true to God must utilize its powers and institutions to aid its citizens in the performance of their obligations towards God. Since God created nations, this national religious obligation is first in time and first in importance.

One of the ways in which a nation preserves itself and promotes the general welfare of its citizens is through the processes of formal education. Therefore, the educational system of every nation must be directed towards the religious and spiritual training of youth. No nation which eliminates religion from education can claim to be true to God.

On the basis of these elemental truths, we American citizens should awaken to our duties and responsibilities. We should see to it that all students in our public schools, from the elementary to the college inclusive, receive some training in God and the things of God. Within our public schools all students should be trained in the knowledge of God, in the moral duties of the ten commandments and in the necessity of prayer.

Such religious training does not involve any proselytizing of the members of one religious group by another. It involves training in fundamental truths which are preached and practiced by all religions alike.

Nor does such elemental and fundamental religious training involve any violation of the first amendment of our Federal Constitution. This first amendment merely prohibits two things. It forbids the Congress to establish any one religion as a State Religion. It also forbids any interference by Congress with the religious freedom of American citizens.

That is why the United States Supreme Court was definitely wrong when it recently decided that the use of public school premises for the teaching of religious truths was against the first amendment to our Constitution.

No individual life and no human home can be successful unless they are tabernacles of God and

agencies for God. Similarly no nation can be successful unless all its institutions, particularly its system of national education, are directed towards intensifying and increasing the religious as well as the economic and social life of its citizens.

## HOLIDAY GREETINGS

We have been celebrating the feast of Christmas — the birthday of the Saviour, who came into the world so that all might be saved. We ask our readers particularly at this holy season of the year, to plead with the Infant Saviour Jesus to change the hearts of men so that all might know and love Him, and beg Him to establish His kingdom in all the world.

We would like to be able to extend personal Christmas messages to all our friends. However, due to the increased circulation and tremendous correspondence, that is impossible. Therefore, the Editor and the entire staff of COMMON SENSE join in wishing all their readers — both friends and enemies — a very Merry Christmas and a Blessed, Happy and Prosperous New Year.

"It is therefore the essential task of the victorious revolution in our country to develop and support the revolution in others. So the revolution in a victorious country ought not to consider itself a self-contained unit, but as an auxiliary and a means of hastening the revolution in other countries." — "Problems of Leninism" by Stalin

## REPLYING TO ATTACKS ON COMMON SENSE AND ASKING SOME PERTINENT QUESTIONS

During the three years COMMON SENSE has been published, it has been smeared by all the more alert Communist and Marxist poison sheets like the DAILY WORKER, like IN FACT, (the pro-Communist, anti-Catholic sheet edited by George Seldes and Victor Weingarten), and like FRIENDS OF DEMOCRACY, (front for the Anti-Defamation League, the Gestapo of Communist and Zionist Jews in the United States), and we were beginning to fear that our work was not fully appreciated by THE NEW YORK POST. However, after reading your recent seven day smear campaign devoted to COMMON SENSE and its friends, we feel better.

In their opposition to Communism, many good people say that Communism is a terrible thing, economically unsound, etc., but those individuals have not taken the time to investigate and see who and what power is promoting this atheistic black plague all over the world. COMMON SENSE does not shadow-box with this menace just because it is unpopular, or does not hesitate to expose the influential Marxists who are the real backbone of the Invisible Government of which Communism and Zionism are only two fronts. COMMON SENSE carries no advertising; it is not interested in profit, hence it is free to print the truth in the interest of Christianity and of America. Of course we make enemies but we are happy to be judged by the enemies we make.

These enemies of COMMON SENSE and our American institutions hide behind more than six hundred Marxist and Zionist fronts with harmless-sounding names. When we uncover one of these, the howl goes up. We do not have a big daily paper of 57 pages, supported by advertisers. Ours is only a small four-page paper, issued twice a month by the Grace of God and with the help of real Christian Americans of every denomination. Because we have so many Communist and Zionist fronts to deal with, we cannot devote too much of our time to the NEW YORK POST.

First, we thank the NEW YORK POST AND HOME NEWS for the many subscriptions we have received from your readers in New York and elsewhere. We also thank the FRIENDS OF DEMOCRACY and Leon Birkhead, the ex anti-Christian minister for turning their files over to you and cooperating with your Irving Lieberman in their vicious un-American attacks on us. We are also grateful to the Anti-Defamation League (the Gestapo of Communist and Zionist Jews in the United States) for supporting the FRIENDS OF DEMOCRACY as a front so that they could render this service.

Unfortunately for Mr. Lieberman, he was unable to find a single black mark against the writer's past record. Communist and Zionist fronts have had at least four different agencies investigate the writer during the past three years but without any luck, so your articles were just a repetition of unfounded accusations. No doubt one of the Invisible Government instructed you to use "Hate Sheet" as a slogan in your campaign, and to just keep on repeating it — advertising technique — so that people will actually believe it. We honestly inform you that we hate no one. It is love that causes the writer and many volunteer workers to make sacrifices in order to help the people understand what you Marxists are up to.

(continued from first page)

to. The writer has not received a salary or remuneration of any kind for his three years full time work. Not only that, but he put every dollar he had into this work. Love of Christ and love of our country makes us do this.

You are so interested in opposing Hate groups. Have you ever used pressure on the Post Office Department to prevent the mailing of the DAILY WORKER or about 400 Red-controlled publications in the United States? Why the editorial in the Post and the personal calls at our Post Office by Mr. Lieberman and Mr. Bronstein and at Washington to keep COMMON SENSE from going through the mails? There are 35,000 paid Communist organizers in the United States spreading hate against our form of government and Christianity — are you concerned with them or just a few Americans who have the courage to oppose the Invisible Government?

Here are just two evidences of the hate of Marxists, taken from hundreds that we have:

"One of the finest things ever done by the mob was the crucifixion of Christ. Intellectually it was a splendid gesture. But trust the mob to bungle. If I had charge of executing Christ, I'd have handled it differently. You see what I would have done was had him shipped to Rome and fed to the lions. They never could have made a saviour out of mince-meat." ("A Jew In Love" by Ben Hecht. Pages 120-1.) Ben Hecht is Co-Chairman of the American League for Free Palestine.

### GOODBYE CHRIST by Langston Hughes

Listen, Christ,  
You did all right in your day, I reckon —  
But that day's gone now.  
They ghosted you up a swell story, too.  
Called it the Bible —  
But it's dead now.  
The popes and the preachers 've  
Made too much money from it.  
They've sold you to too many  
Kings, generals, robbers, and killers —  
Even to the Tzar and the Cossacks,  
Even to Rockefeller's Church,  
Even to the Saturday Evening Post.  
You ain't no good no more.  
They've pawned you  
Till you've done wore out.  
Goodbye.  
Christ Jesus Lord God Jehovah,  
Beat it on away from here now.  
Make way for a new guy with no religion at all  
— A real guy named  
Marx Communist Lenin Peasant Stalin Worker  
ME —  
I said, ME!  
Go ahead on now,  
You're getting in the way of things, Lord,  
And please take Saint Ghandi with you when  
you go.  
And Saint Pope Pius.  
And step on the gas, Christ!  
Move!  
Don't be so slow about movin'!  
The world is mine from now on —  
And nobody's gonna sell ME  
To a king, or a general,  
Or a millionaire.  
\* \* \*

Goodbye Christ, good morning Revolution!

You do not dare to offend your supporters by condemning these!

You try to deaden the effects of our anti-Communist campaign by saying that we are anti-Semitic. This reminds us of one of the very few anti-Communist meetings tolerated in New York City which was held at St. Nicholas Arena a few months ago. At the close of the meeting the writer and the two men who had arranged the meeting were waiting at a telephone booth at the rear of the hall. They overheard the conversation of a reporter calling your half-brother, THE DAILY WORKER, concerning the meeting. He informed THE DAILY WORKER that the meeting was definitely anti-Semitic. One of the gentlemen remarked "That is queer. He says this is anti-Semitic and the main speaker was a Rabbi!"

For your information, all Jews are not Marx-

ists. Four real American Jews are closely associated with COMMON SENSE as writers and speakers. Would any of your Marxist Jews care to debate the issues we feature with one of these Jewish associates? This offer is open to you, Mr. Lieberman, or to Dorothy Thackeray and T. O. Thackeray, publishers. If you do not feel qualified, perhaps you could prevail on Rabbi Stephen Wise, or his Communist son, James Waterman Wise, to defend Zionism in an open debate. We will pay for the hall. We are certain you could not prevail on any Zionist to defend the five groups in Palestine who have ties with Moscow. Your Marxists have about worn out the effectiveness of 'anti-Semitism'. You should get a new smear name. It was new to the American people when you used it on Father Coughlin, Col. Charles Lindbergh, Congressman Martin Dies, Senators Nye and Wheeler, and many others who stood up for America against you Marxists. Strange that everyone who opposes Communism or Marxism is anti-Semitic. Let's clear this up. Just tell us the name of any full-time anti-Communist Christian in the United States you will say is not anti-Semitic, of whom you do approve.

Mr. Lieberman has almost broken a blood-vessel in attacking us, hence it should be only fair to examine the record of the NEW YORK POST to see if it comes into this debate with clean hands.

Is the NEW YORK POST HOME NEWS owned and controlled completely by Marxists? If not, do you dare condemn in your paper the teaching of Karl Marx and Lenin? May we ask if Dorothy S. Thackeray, owner, co-editor and publisher is the grand-daughter of Jacob Schiff, who, as President of Kuhn, Loeb and Company, International Jewish bankers, financed the Communist revolution in Russia in 1917? Are we correct in stating that Elisha Walker of Kuhn, Loeb and Company, during a visit to Father Coughlin's home in Royal Oak, Michigan, told him that if he did not stop his radio broadcasts he (Elisha Walker) would see that Father Coughlin lost his collar? It appears that your tribe is only interested in free speech for Marxists. Do you cooperate with the Anti-Defamation League in making a practice of smearing those who oppose Communism and Zionism?

In your issue of September 12th, Page 30, in supporting Henry Wallace for President, T. O. Thackeray, co-editor and publisher, stated: "The world is crying for the Wallace program." We have reliable information that you also carried on an active publicity campaign for Leo Isacson, the Communist Congressman, and were responsible for his election to Congress in the Bronx. We are told you supported Marcantonio and Simon Gerson, an official of the Communist Party who ran as a candidate for the City Council from Brooklyn on the Communist Ticket, as well as Lee Pressman, Albert Kahn, Eugene P. Connolly, John Rogge, attorney for Communist fronts. Sixty-five of your employees forced you to publish their statement of protest denouncing your support of Moscow's candidate for President, Henry Wallace. WHY DO YOU SUPPORT THESE COMMUNISTS? You also have room for full page advertisements for the Communist Party.

In the same issue of your paper referred to above, your editor calls the Communist revolution in Spain, directed by Moses Rosenberg, Ambassador of Russia to Spain, "A Democratic program." This is the revolution in which the Marxists raped and killed 10,000 nuns and 5,000 priests and saturated many with kerosene and burned them alive. Is this the NEW YORK POST's idea of "A Democratic program"?

Why try to deprive us of the privilege of free speech because we differ in opinion? Why not discredit us by taking our statements and trying to prove them false? We invite you to try to do this.

In your Sunday edition, December 12th, you play up the story of the Non-Sectarian Anti-Nazi League sending a telegram to the Department of Justice, followed by a six-page letter demanding that Mr. Freedman and the writer be investigated. We welcome this investigation. Obviously you have close cooperation with this pro-Communist front, the Non-Sectarian Anti-Nazi League!

Why are you Marxist Jews so opposed to our friend, Benjamin H. Freedman? Why do you fail to mention the fact that Mr. Freedman was born a Jew? Were you afraid that some of your more intelligent readers would wonder at the irony of calling the paper "anti-Jewish" under these circumstances? Mr. Freedman, like hun-

dreds of Jews, and many of them Rabbis, is opposed to Communism and Zionism. He and the writer believe that the only difference between Communism and Zionism is in the spelling of the words.

You infer that the money spent in activities by Mr. Freedman in exposing the Marxist Jews comes from Arab sources. The Anti-Defamation League may have told you that this was good copy. However, you undoubtedly are aware of the page ad which Mr. Freedman ran August 27, 1946 in the NEW YORK HERALD TRIBUNE in which he offered \$10,000 to anyone who could prove that he was spending money other than his own. (Readers may have a free copy by writing).

We have known Mr. Freedman for a long period. We know that some of the most prominent men in America consider him to be one of America's greatest patriots. He loves our God and our country more than he does all the money in the world, or life itself. His word is his bond. While Reds smear him, his friends increase in number. He is one of the greatest authorities in the world on the history of the origin of the Marxist-Zionists who are trying to reshape America to fit in with their plans.

The late Henry Morgenthau, Sr., former U. S. Ambassador, agreed with Mr. Freedman. The former stated in print that Zionism was the "most stupendous fallacy in Jewish history" and that he himself had to make a choice between being a Zionist or an American.

### WHAT COMMON SENSE STANDS FOR

We are against Socialized Medicine. How do you stand?

We believe Morris Ernst's Civil Rights Committee is a front for Communism, created to bring about civil war in the South. Why do you favor it?

We believe immediate action should be taken against the twelve leading Communists, some of whom are aliens, as well as Gerhard Eisler, all of whom were arrested but are out on small bail spreading their poisonous hate all over the United States. Why don't you oppose them?

We believe the Morgenthau plan is a deliberate plan of starvation, conceived by such Marxists as Isadore Lubin and Henry Morgenthau, Jr., to enslave Germany and force the Germans to accept Communism. Why do you favor it?

We believe Henry Morgenthau, Jr., proved himself a traitor to this country when, as Secretary of the Treasury, he turned over the United States' money plates to Communist Russia in order to print over \$400,000,000 in money which the United States was compelled to redeem. The only expense to Russia was the cost of the paper.

We are in favor of the stand the Un-American Activities Committee is taking in exposing the Reds who for years have been plotting the destruction of our beloved country. You, in your editorials, call the investigations the "Un-American Committee's show". Why? Are you in favor of allowing these Reds to continue their work?

We challenge you to condemn the imprisonment of Archbishop Stepinac by the Communists in Yugoslavia.

We challenge you to condemn Communist and Zionist aggression anywhere in the world.

Mark Twain once said that "if you cannot answer a man's argument, don't be discouraged, you can still call him names."

CONDE MCGINLEY.

## TREASON IN WASHINGTON

Merwin K. Hart, President of the National Economic Council has recently issued Council Letter No. 205 entitled, "TREASON IN WASHINGTON?" Had we a larger paper, we would reprint it in full. It is of such importance that we could not do the contents justice by publishing sections of it. We, therefore, urge our readers to order a copy and read it carefully. (The letters may be obtained from COMMON SENSE for \$.10 per copy.)

# THE WAR AGAINST COMMUNISM; — OUR LOST CAUSE

Written for COMMON SENSE by DAVID GORDON, noted Jewish writer and lecturer.

The old cracker-barrel philosopher got on his soap-box a hundred years ago and said: "Lots of people knows lots of things that aint so!"

And only a few days ago, a well-meaning Hibernian gentleman, much beloved by the writer of these lines—a gentleman, I must admit, whose heart is better than his head and whose Faith is better than his sight—came up to me with a copy of COMMON SENSE in his hand and told me:

"We've got 'em on the run. Communism is licked."

So I asked the Hibernian gentleman:

"How many paid readers does COMMON SENSE have?"

"Oh," answered the well-meaning Hibernian, "several thousand, when you figure in all the forty-eight states." And I asked him in turn:

"Did you see the foul and vicious attack on our paper in the New York Post?"

"Yes."

"Well the New York Post has two hundred thousand paid readers every day in New York City alone."

"It's a crying shame," moaned my friend, "when you figure out that we're the leading paper in America which is against Communism and for Democracy and Americanism."

"But," I remonstrated, "that's just exactly what the New York Post and its owner, who is the grand-daughter of the Jewish financier who financed the Bolsheviks in 1917, Jacob Schiff, maintains (in concert with her editor, who is also her third husband): 'We are against Communism

## MOSELEY DEPLORES SPEECH BY ENGLISH COMMUNIST

GENERAL REGRETS RELIGIOUS AND POLITICAL LEADERS ARE AIDING OUR ENEMIES.

"December 15, 1948

"Dear Sir:

"My Mother, being an Englishwoman, I was reared in the Episcopal Church. For years, I have not used my membership, as I have been thoroughly disgusted with the attitude of a large part of the Church as it has deserted Christ and His teachings and taken sides with His enemies, both at home and abroad.

"Tonight, a registered English Communist is speaking at St. Philip's Cathedral, speaking not only as a Communist but also in the interest of Russia, an unfriendly nation that aims to destroy Christianity throughout the world. In the years following the Revolution, Russia liquidated some thirty million Christians.

"Christianity and civilization are today in jeopardy. There is a multitude of strong men of Faith in America to win with ease the battle for Christ; but the tragedy of it all is that so many of our so-called leaders, both religious and political, are openly giving aid and comfort to the enemies within our gates, Dean Johnson being notoriously one. To succeed, those enemies must destroy our Republic and the Christian principles upon which it was founded. Today, Christ is being crucified at every turn in the road and few leaders there are who have the character to come out openly and fight for Him. His enemies fill many a church pew while too often the pulpit is filled with a supine leader who has sold out for a mess of pottage."

"General Van Horn Moseley"

but for Democratic Americanism."

"Be not deceived," said the Apostle, "God is not mocked." Let us not deceive ourselves. The fight against Communism and its newest correlative Zionism, is not won. It is lost. During the year 1948 alone, the forces of the Judaeo-Marxist Anti Christ have gobbled up two more nations: Palestine and China.

Christians we are, by the Grace of God. But martyrs, by all evidence, we are not. We are willing to stand up (weakly) for the Holy Cause. But as soon as filth-organs as the New York Post calls us 'Fascist' or 'Anti-semite,' we put our Christian tails between our legs and beat a retreat.

It is impossible for men of good will to come to our aid, because in our mouths are to be found the same shibboleths as are used by New York Post and PM and Daily Worker and New Republic and Nation. How then can our potential allies tell us apart from our enemies?

That patent agent-of-Evil, Franklin D. Roosevelt, euchred us into a war to destroy fascism'. We knew in our hearts that such a war—in alliance with Russian Communism and International Jewry—could only result as it has in the bolshevization of Christian Europe. And yet we offered our sons as victims to this Unholy War.

We are afraid of being called 'Fascist' and 'Anti-Semite' by the enemies of our Faith.

The writer of these lines has been called 'Fascist' and 'Anti-Semite' many times by such papers as PM and New York Post. I am proud of these appellations.

If Dorothy Schiff Thackrey, owner of the New York Post, is a representative of Semitism, then I must perforce be an Anti-Semite.

If Professor Albert Einstein of Princeton, a Public leader and a public atheist, is an anti-Fascist, then I am preforce a 'Fascist.'

"Be not deceived, God is not mocked." And Christ himself said "As they hated me, they will hate you." "As they persecuted me, they will persecute you."

Yes, we who call ourselves Anti-Communist have, thus far, lost our war, because we have not been willing to pay the price for Victory—the price Christ paid for His victory—crucifixion by the Pharisees.

One of the fathers of the Church wrote, Christ-anus alter Christus, "the Christian is another Christ."

Let us then put on the armor of God which is the Cross of Christ.

For by this Sign—and by this Sign only—we conquer.

## DISSOLUTION OF COMMUNIST PARTY IS PROVEN TRICKERY

SIGNERS OF PACT IN 1944 NOW LEADERS OF REDS IN MANY LANDS

Five years ago fourteen members of the Executive Committee of the Russian International Communist Party signed a paper in Moscow. The purpose of this act was to prove to the rest of the world that the Communist Party was thereby dissolved. Of course, this bit of trickery did not pass unnoticed by the alert anti-Communists at the time. It served its purpose, however, by misleading some of those who were not quite aware of the methods used by the Reds to further their ends, and permitted them to continue with their satanic work more freely.

It will be interesting to know in what capacity these fourteen are now serving. Klement Gottwald is now premier of Czechoslovakia, Mathias Rakosi is vice-premier of Hungary. William Peick is the head of the Communist Party in Russian occupied Germany, while Palmiro Togliatti has held a very high position in the Italian Government. Maurice Thorez and Andre Marty are co-chairman of the French Communist Party; Anna Pauker is the chief of the Communist Party in Romania. The Communist national chairman in Austria is Johann Koplenig and the president of Poland is Boleslaw Bierut. Enver Hozha, Georgi Dimitroff and Marshall Tito are premiers of Albania, Bulgaria and Yugoslavia, respectively. Ending up the list of signers are Hertta Kussinen Leino and Yrjo Leino, daughter and son-in-law of Otto Kussinen, former secretary-general of Finland's Communist Party.

Other influential leaders in foreign governments who are graduates of the infamous Lenin Institute are: Ernst Fisher, Parliament leader in Austria, Lazzlo Luca, co-leader with Anna Pauker in Romania, Luis Carlos Prestes, Communist Party head and leader of Parliament in Brazil, Romolu Betancourt, president of Venezuela, Nicholas Zachariades and Dimitrios Partsalides, leaders of the Communist underground in Greece and William Z. Foster, head of the Communist Party of America.

Walter S. Steele, chairman of the National Security Committee of the American Coalition declared, "We have spent 20 billions of dollars in direct relief and seven and a quarter billion more in reconstruction abroad to revive war weary people and lands. The facts prove we have been building Communism abroad by these humanitarian measures."

It is a know fact that the Communists attempt deliberately to falsify their own strength in order to pacify the countries not yet conquered by the Soviets. A tabulation presented by Mr. Steele shows the following comparison of actual members and actual voting strength.

Country	Dues Membership	Voting Strength
Denmark .....	60,000	225,000
Norway .....	34,000	167,000
Sweden .....	156,000	370,000
France .....	2,000,000	6,000,000
Netherlands .....	60,000	500,000
Italy .....	2,000,000	4,383,000
Bulgaria .....	850,000	2,262,000
Czechoslovakia .....	1,700,000	2,217,000
Belgium .....	100,000	600,000
Hungary .....	650,000	720,000
Finland .....	40,000	358,900
India .....	63,000	700,000
Greece .....	75,000	860,000

Today, in our own country, the F. B. I. has estimated there are approximately 100,00 card-carrying Communists. But in 1940, eight years ago when the number of card carrying Communists was 72,000, their voting strength was more than half a million. It is disastrous to think how much their voting strength has increased in that length of time!!

## LETTERS TO THE EDITOR

Editor: Lay off the lies, Bastard or else, if you wish to continue living stop printing hatred against people who wish to live in peace. If you prefer to continue your lies, there will be an "organized party" more established than yours, who will in the very near future, pay you a visit such as you never had before. We will make a fast job of it. A lynching, mister.

Sons of Israel. "Stern Gang".  
Your coffin is ready. WE MEAN IT.

Dear Sirs I have just finished a ridiculously and hysterical and one-sided article in a Bronx paper, the POST - Home News. Since I disagree wholeheartedly with every and all policies of this so-called "liberal" newspaper, I am very interested in learning more about your paper "Common Sense".

Please add my name to your mailing list and if possible send me a back-copy of "Common Sense". I would like to know what your subscription rates are so that I may become a regular subscriber. I am a Senior at Fordham College and as a student am interested in the real truth about these minority groups which seem to wield so much power in our government policies at the United Nations and here at home in local government. T.W.

Cranford, N. J.

Dear Mr. McGinley: The enclosed \$20 is taken from the money I was going to use for family Christmas gifts. America's future freedom is more important than Christmas Gifts. H.

P.S. A merry Christmas and God's blessings to you.

93 Darcy Ave., Brooklyn, N. Y.

Dear Pagans: Be informed that I read your dirty sheet, you call a newspaper. How can anyone lie so much and live. It's time you dropped dead. I am a Zionist, who has two loyalties, one to my people oppressed (by scum like yourselves) and to this country. You only have one loyalty, to the devil. If you don't like it, you can eat your hearts if you have any out.

Why don't you stop being pagans and become real Christians? We Jews gave a God to you, who pretend to love each other. You should be grateful to us for that. Instead, you besmirch the same people who gave you so much, you ungrateful dogs.

I don't think you have the courage to print this, you scum. I would write some more but have wasted too much time on such garbage of mankind. ELIHANAN BEN-AMI

Editor, Common Sense: It is a fact that the government betrays us by its weakness in dealing with these seditionists and by coddling that "formidable sect" which is everywhere behind these satanic forces. The grievances which Jefferson enumerated in his Declaration of Independence are rather weak compared to the grievances which we have today against our government.

We do not want to overthrow our government, no; but if Communism is not outlawed, the citizens will be forced in self-defense to form some fighting organizations.

Don't let the satanic Anti-Defamation League intimidate you. Go bravely ahead in your work.

## BIT OF THIS AND THAT

By DAVID GOLDSTEIN

We regret that congressmen, mayors and some other Catholics of political prominence, joined with a hundred rabbis, and others in welcoming Manechem Beigin, Commander-in-Chief of the murderous Irgun Zvai Leumi gang, to our country. Beigin is here to obtain financial and moral support for his "Freedom Party," that seeks, through the January Israeli election, to make the whole of Palestine, including Jerusalem, a part of the Jewish State. Either ignorance of the character of Beigin and his political objective; or desire to win the voting favor of the pro-

Israelians in our country, caused them to disregard the recent prayerful appeal of our Holy Father, Pope Pius XII, for the internationalizing of Jerusalem. The protest, against the reception given Beigin, by Father John La Farge, S. J., in association with Rabbi Morris Lazaron and Rev. Henry Sloane Coffin, made plain the error of their political way.

May the Lord have mercy on us all and give you courage to endure the trials you meet with in your praiseworthy work. REV. - - - (excerpt from a letter from a Catholic Priest.)

"Blessed are they that suffer persecution for justice sake for their is the kingdom of heaven". Matt. V. 10.

BY LENIN —

In what sense do we repudiate ethics and morality?

"In the sense that they were preached by the bourgeoisie who declared that ethics were God's commandments. We, of course, say that we do not believe in God, and that we know perfectly well that the clergy, the landlords and the bourgeoisie spoke in the name of God in order to pursue their own exploiters' interests."

"We repudiate all such morality that is taken outside of human class concepts. We say that our morality is derived from the interests of the class struggle of the proletariat."

"The practical task of Communism is to take advantage of this hostility (between various capitalistic countries) and to excite one against the other".
